

# House Rules

---

Welcome to our home! We've worked hard to make this a comfortable space. To ensure everyone has a great stay and we stay on good terms with our neighbors, please follow these rules:

- **Check-in & Check-out:** Check-in is anytime after 3:00 PM. Check-out is before 11:00 AM. This allows our cleaning team enough time to prepare for the next guest.
- **Occupancy:** Only up to 10 guests total are allowed on the property at any time. No unauthorized visitors or overnight guests.
- **No Parties or Events:** We have a strict "no party" policy. Excessive noise or large gatherings will result in immediate cancellation of your stay without a refund.
- **Quiet Hours:** Please be mindful of our neighbors between 10:00 PM and 8:00 AM.
- **Smoking & Vaping:** This is a 100% smoke-free and vape-free property. Smoking is prohibited indoors and near windows.
- **Pets:** No pets allowed.
- **Care of Property:** Please treat our home as you would your own. If something breaks, please let us know immediately so we can fix it for the next guest.
- **Trash & Recycling:** Please place all trash in the designated bins.
